

RBG's Favorite Collar

Yarn Weight: Super Fine (I used Loops & Threads Woolike)

Hook Size: 2.25 mm

Abbreviations:

CH: Chain

SC: Single Crochet

Tip: Before starting, leave a long starting tail to use as part of the tie for the collar.

CH a multiple of 3 + 1.

Note: The starting chain length will vary depending on your desired collar size. 160 chains was close to 17.5" for me.

R1: SC in second chain from hook, SC until end. CH 1, turn.

R2: (CH 5, skip 2, SC) repeat until end. CH1, turn.

R3-R6: (CH 5, SC into chain space) repeat until end. CH1, turn.

R7: (CH5, SC in second chain from hook, SC again, CH 2, SC into chain space) repeat until end.

Fasten off and weave in end.

Finishing:

At the start of R1 (where there isn't the starting tail), attach string of yarn to create the second half of the tie for the collar.
